The City of Shelton will be accepting sealed bids for purchase of miscellaneous surplus City vehicles and equipment. Sealed bids must be received at the City of Shelton Public Works Department by **2:00 PM, Tuesday, June 05, 2018**, at which time bids will be opened in Public Works Department, located at the Shelton Civic Center, 525 West Cota, Shelton, WA 98584. Bids received after that time will not be accepted.

## May 2018 City of Shelton Vehicle and Equipment Surplus

Bids should include Bidder's Name, Address, Telephone Number, Email Address, Item Number, Short Item Description, and Bid Amount. Successful bidders will be notified by email. The items will be sold to the highest bidder. Terms are full payment, including all applicable taxes, by money order, cashier's check, or cash made payable to the City of Shelton. Full payment must be made prior to pick up.

Vehicles and equipment will be available for viewing at the City Main Plant, 1700 Fairmount Ave, Shelton, WA 98584, Tuesday May 29<sup>th</sup> through Thursday May 31<sup>st</sup> between the hours of 10:00 AM and 2:00 PM.

**Successful bidders with payment receipts must make arrangements to remove item(s) from City Facilities by no later than June 15, 2018.** All costs associated with the removal of sold items shall be borne by the buyer. If not so removed, the buyer will be deemed to have abandoned the items. The City may offset the costs of reasonable storage or rental value, resale or other administrative costs from payment made by buyer.

The surplus vehicles and equipment being sold by the City of Shelton are used and are being sold "as is". The City of Shelton makes no representations or warranties as to the safety of the vehicles and equipment, their fitness for any particular purpose, or that they have not been altered or modified from their original manufacturer's design. The City does not certify that the vehicles and equipment being sold are safe for any particular use and all purchasers will assume full responsibility for any uses they may put the vehicles and equipment to in the future.
