The Tae Kwon Do - derived kicks and strikes provide excellent power at medium and long range, while the throws, locks, chokes and joint manipulation of Judo and Hapkido allow for effective close range fighting and grappling. KiMudo is a living, growing martial art that continues to expand and change.

In addition to the core elements of Tae Kwon Do, Judo and Hapkido, KiMudo also includes techniques from Jujitsu, Karate, boxing, wrestling, traditional weapons from Okinawa and the Philippines, and many other arts and styles.
