This permit becomes null and void if work or construction authorized is not commenced within 60 days. I hereby certify that I have read and examined this application and that the information I provided is true and correct, and I am aware of the City of Shelton's Ordinance requirements for which this permit is issued and that all work done will be in conformance therewith. No changes shall be made without first obtaining approval from the City of Shelton. By signing below, I am certifying that I understand it is my sole responsibility to accurately locate my property lines and have them surveyed by a licensed land surveyor if directed to do so by the City. I understand that if it is determined that the fence is installed within the public right of way, the City will cause to have it removed at the property owners expense.
