Response to Questions or Requests for Clarification

ITB for Vacuum Excavating Jet Truck

**Date Issued:** March 14, 2019

**Question:**

“The tax rate is listed as 8.8%, but auto dealership laws require the tax rate of the dealership’s host city be used, plus .3%. For us, that would be 10.3%. Should I put a line through the 8.8%?”

**Response:**

Please strike the tax rate of 8.8% on the Bid Proposal Sheet and write in the sales tax rate that is applicable to the proposer.
